Design and layout services

**Jennifer** joined the NHRI team in 2021 bringing a distinct, creative style that she acquired from over 20 years of administrative coordination and management experience while working with healthcare and nonprofit organizations. Originally choosing to pursue a career in Healthcare, Jennifer has completed post-secondary studies in both the Dental as well as Optometric fields while maintaining her creative and artistic talents through her personal endeavors such as cake design, landscape design and gardening. When not elbow deep in flour or dirt, Jennifer can be found cycling and hiking through the beautiful 'hardwood hills' of Oro-Medonte, Ontario.

Jennifer's contribution to NHRI includes design and layout services for the "Leaflet" newsletter and all other visual communication needs for the NHRI team.
