

Joey Volpé

Manager Knowledge Mobilization

- **JOEY** holds a bachelor's degree in Industrial Relations from McGill University and a Bachelor's degree in Law and a Master's degree in Environmental Studies from Université de Moncton.
- Joey's career has led him to work in the private, public, and academic sectors. In the private sector, he has worked primarily in sales, human resources, and communications. During his stay in the academic sector, he worked on issues relating to the legislative frameworks applicable to the forestry and agricultural sectors. He also worked as a development officer for the province of New Brunswick and as Chief of operations at the CCNB Biotechnology Scale Up Center and the Eastern Canada Soil and Water Conservation Center.
- Joey's main role at NHRI is to be responsible for technical content management.
- While not at work, Joey enjoys spending time outdoors, improving his woodlots, woodworking and gardening.
